Description:

First class exceptional designer home, for the more discerning/water park

The Glissando is unlike any other property. From the moment that you pull up to this five bedroom, five bathroom Orlando vacation villa, you'll know that you made the right decision.

Why stay at a crowded not to mention, expensive hotel when you can have the privacy of your own home while on vacation?

The Glissando is located at the Encore Club at Reunion Resort and as a guest; you'll have access to the many resort amenities which include a community pool, fitness center, club house, sports courts and more!

Now, back to this magnificent rental home! The first floor is an open-concept design and it's here that you'll find your kitchen, dining and living rooms. The kitchen is outfitted with stainless-steel appliances and granite countertops as well as a four-person breakfast bar. The dining room has a wonderful eight-person dining table which is perfect for a family meal. Finally, the living room has a flat-screen TV and ample seating for you and your guests to enjoy.

Right off this area of the house you'll find your private pool and Jacuzzi. The pool deck is drenched with the warm Orlando sun and there are plenty of loungers to soak up the rays. There's also an outdoor dining set if you'd rather have a meal al fresco!

The five bedrooms in this property are all uniquely but elegantly decorated. Each room comes with a flat-screen TV, has enough room for you to unpack and relax and of course provides the perfect atmosphere to rest after a long day at the parks.

There is one bedroom in particular that the younger guests in your group will love. This Star Wars-inspired bedroom comes equipped with an illuminated BB-8, a Star Wars wall decal and two bunk beds!

The Glissando also has a games room that comes with arcade games as well as a Ping-Pong table.

This property is modern and its design is impeccable. In fact, it looks like it could be featured in a magazine!
