Description:

The space

It's hard to get this close to downtown in a first class space for such a great price!

Our home is only 5 years old with hardwood floors, granite and stainless steel kitchen, stone fireplace and all the charm you'll need. We dare you to find a better value on Airbnb :)

Guest access

You'll be able to access the entire first level (except Brian and Wendy's bedroom), including the living room, kitchen, bathroom, and laundry areas.

You'll also have off-street parking in our driveway.

Interaction with guests

Either Brian or Wendy will be able to help you during your stay. We frequently recommend good restaurants, things to do, and places to see. Just let us know and we'll make sure you figure it all out!

The neighborhood

We're in the Overbrook neighborhood, extremely close to downtown Greenville. Guests love it because they're only a 4-minute drive to the

city center, and conveniently located near plenty of activities and amenities.
